Great stories deserve to be retold...Adapting a cultural historical account into a dramatic stage play is a great way to tell a story, pay tribute to history & give it life in a new setting. Through this unique & creative camp, we aim to inspire our Jia kids to harness their unique talents not just in wushu but also in creative arts, culture & embrace a life of gratitude & giving in addition to promoting a lifestyle of wellness, health & harmony

jia...your home away from home

un atelier de vie...a studio of life, epitomizes a lifestyle of wellness, health & harmony giving us a sense of calm, inner peace, radiance & joy beyond words. Jia is a pioneer lifestyle studio worldwide promoting the health healing benefits of a holistic fitness program adapted from traditional Chinese Martial Arts for the mind, body & spirit.
